YINTO[®]
KITCHEN ORGANIZER

YINTO HOUSEHOLD GLASSWARE

Specialized in Food-grade High Borosilicate Kitchen Glassware
Creation & Production & Supply

HEBEI YINTO Import and Export Trading Co., Ltd.

- We are a professional manufacturer and supplier of high borosilicate glass wares for home use, and also provides customized services for customers who have special requirements. We have our own design team, including product design, packaging design and long-term cooperation with mold manufacturers, so we can fully meet various degrees of customization requirements.
- We not only provide production services, providing customers with quality and satisfactory pre-sales and after-sales service is also our important work core.
- Our services include: pre-sales consulting service, customized service, production schedule update service, product quality inspection service, logistics service and active after-sales service.
- Because we are a supplier of food grade household high borosilicate glass utensils, so all products are food grade, can pass the international food testing standards, BPA FREE, LEAD FREE, to protect the health of users.
- The production and supply of products mainly include household glass storage series, coffee glass utensils series, household water utensils series, kitchen grinding series etc. At the same time, we are constantly improving and optimizing our product pool to make it more convenient and user-friendly in use.
- Our vision is to deliver health, convenience and beauty to the world through producing and supplying of high borosilicate glass appliances for home use.

PRODUCT SUMMARY

Glass Coffee Utensils Series

Double Wall Glass Cup
.....01-08

French Press Coffee Maker
.....09-11

Cold Brew Coffee Maker
.....12-16

Glass Storage Series

Storage Jars with Lid
.....17-24

Storage Containers
.....25-52

Glass Kitchenware

Color Glass Kitchenware
.....53-56

Bowl Set
.....57-58

Measuring Cup
.....59-60

Glass Grinding Series

Salt and Pepper Grinder
.....61-62

Glass Coffee Utensils Series

Insulated Double-wall Glass Cup (DW Series)

- High Borosilicate Glass Material Superior Chemical Stability, High Smoothness, High Transparency, Better Abrasion & Corrosion Resistance Performance & Harder than Ordinary Soda-lime Glass.
- Withstand Instant Temperature. Difference from $-20^{\circ}\text{C}/-68^{\circ}\text{F}$ ~ $150^{\circ}\text{C}/302^{\circ}\text{F}$.
- Thermal Shock $120^{\circ}\text{C}/248^{\circ}\text{F}$ without Cracking and Shattering.
- Safely used in Freezer, Dishwasher.
- Approvable Test: FDA, LFGB, Japanese Food-grade Testing, BPA FREE, LEAD FREE.
